

Being a Likable Boss

Being more likeable is a quality everyone can increase and improve. Being likeable and a figure of authority is where some challenging conflicts can arise. With this workshop your participants will recognize these possible areas of conflict and develop the skills and knowledge to overcome them.

This course will show that honesty and trust will be the participant's biggest tools in fostering a better relationship with their employees. Trusting their team by avoiding micromanagement, using delegation, and accepting feedback will put the participants on the right path to be a more likeable boss
