

Workplace Harassment

Harassment can be based on a variety of factors that differ from the one doing the harassment, such as race, sex, and disability. Experiencing uncomfortable situations in the workplace may be more than an offense against an individual. It can be a crime committed against the law, which is why this topic has become a very important for every organization. The Workplace Harassment workshop will help give participants the tools necessary to recognize harassment in the workplace as well understand your rights and responsibilities under the law, with regard to safety in the workplace. Through this workshop your participants will recognize that it is necessary for everyone to help create programs that teach employees to identify harassment and exercise anti-harassment policies
